EDUCATION

Chandigarh University

Bachelor's of computer applications

CGPA: 7.8/10

Chandigarh, Punjab, India

Aug 2022 - Aug 2025

Atam Vidya Mandir sen. sec school

Intermediate

CGPA: 9.3/10

Ludhiana, Punjab, India

2022

TECHNICAL SKILLS

Programming Languages: C, C++, JavaScript, PHP

Front-End Technology: HTML, CSS, Tailwind CSS, Bootstrap, ReactJS, Redux, Redux-toolkit

Concepts: Data Structures in C++, OOPS, REST API, Git/GitHub, Computer Networking, Database management

Database: SQL, MySQL

WORK EXPERIENCE

Really Media Communication

Bangalore, Karnataka, India

Software Engineer intern

Oct 2024 – Ongoing

- **Developed a Dynamic Web Editor:** Designed and implemented reusable blocks for users to create web, email, and newspaper templates without requiring coding knowledge. Leveraged technologies such as **React.js**, **JavaScript**, **AMP**, and **GrapesJS**, improving the overall user experience by **10%** through an intuitive interface.
- **Enhanced Product Development:** Contributed to the development of client-specific products using advanced concepts of **React.js** and **Node.js**, ensuring optimal functionality and scalability.

PROJECTS

Nike Store
